Item Name: Fringe - The Complete First Season

Item Value: \$34.99

Item Description:

Teleportation, mind control, astral projection, invisibility, precognition, spontaneous combustion, reanimation: these are among the peripheral sciences--or "pseudo-sciences," as one skeptic puts it--examined during the first season of Fringe, a Fox network TV drama debuting on DVD with the full first season (twenty episodes) offered on seven extras-laden discs. The notion that those phenomena could have a genuine scientific basis is intriguing enough. But co-creator J.J. Abrams (whose bulging resume as a director, writer, and producer includes Lost, Alias, and the 2009 Star Trek feature film) has even more on his mind. Along with the weird science, the series features a multi-agency task
